

Syllabi Addendum for COVID-19, Spring 2022 Semester

The University is committed to providing a quality learning experience along with providing a safe and healthy educational environment. The University follows the Colorado Department of Higher Education and Public Health and Environment Recommendations. Students are expected to adhere to all University protocols related to the prevention and mitigation of Covid-19. Details regarding specific requirements will be shared with students via University email accounts. Students who fail to comply with University expectations related to this may face consequences up to and including suspension (removal) from the University. Current Covid-19 protocols are posted prominently on the University's website.

*Students should not come to campus if they are ill or experiencing any symptoms associated with Covid-19. **Students who need to miss class due to Covid-19 illness or suspected illness should contact their instructors directly. Likewise, all students who test positive for Covid-19 must report the result to the [Health Center at Auraria](#) by calling 303.615.9999. Health Center staff will provide instructions regarding isolation and safety.** Additional resources are listed below:*

- *For medical needs requiring clinical services, assessment of symptoms, vaccination appointments, and otherwise visit www.healthcenter1.com;*
- *For support related to the impact of Covid-19 on schooling or life contact the [Student Care Center](#) at 303.615.0006;*
- *For questions/guidance related to the vaccine mandate & weekly screening testing protocols contact the [Dean of Students Office](#) at 303.615.0220.*
