(in MS Teams)

Tues & Thurs 10:00 am - 11:30 pm
Or by appointment at other times

TEXT: Weiss, Neil, *Introductory Statistics, MyLab Revision with Tech Updates, 10th Ed.*, Pearson, (2020).

MyLab can be purchased online. MyLab contains the eText and the Student Solutions Manual. You do not need to purchase the text unless you want one.

You MUST purchase MyLab access either separately or with the text.

MyLab access: ISBN: 978-013-5960295 for 18 week access (1 semester)

You will have access to both MyLab and Canvas on **Saturday, June 8, 2024.**

See my class website for more detailed text information and options.

Software/Calculator: A calculator with basic statistics functionality is recommended for this course. We will be using the StatCrunch software that comes with MyLab for computations and graphing. I will show you how to use this software.

GRADE DETERMINATION:

There will be a MyLab homework and StatCrunch lab score (30%), six unit quizzes (40%), a project score (10%), and a comprehensive final exam (20%).

HOMEWORK AND STATCRUNCH LAB POLICY:

Homeworks is due weekly by midnight on Sundays. You have unlimited tries on the homeworks.

MyLab is the online homework system that comes with our textbook. Homework will be submitted weekly in MyLab and will count 10 points each. Late homework will not be accepted since lowest 10 point homework score will be dropped and the remaining scores will be averaged on a 100 point scale.

The Assigned Problems page are the corresponding problems from the text. MyLab will generate variations of these problems.

There will be three Labs using StatCrunch. These labs are designed to help you get familiar with using StatCrunch so that you can use it for the project. These will count as 10 pt homework assignments.

PROJECT:

The final project paper is due in Canvas by midnight on Friday, August 2. See the **Project Guidelines** document in Canvas for more information.

QUIZ AND FINAL EXAM POLICY:

There is a weekly online quiz on Tuesdays in MyLab. These are 60 minute open-book mini-exams covering the previous week's material. The quizzes close at midnight on Tuesdays. You can start the quiz anytime on Tuesday. No breaks are allowed and there is no access to the Learning Aids (Videos, Show me How to Solve this,...). You must complete the quiz in one sitting in the allotted time before midnight.

The quizzes are timed. No breaks are allowed. Once you start the quiz you must finish it within the time allotted. It is your responsibility to have uninterrupted internet access during this time.

Missed quizzes: No make-up quizzes will be given. The final exam score may be substituted for one missing quiz. (If no quiz scores are missing, the final exam score may be used to replace the lowest quiz score). The final exam, however, is NOT optional and may not be missed.

The Final Exam will have the same online format as the quizzes. The final will be available online Wednesday, July 31 and Thursday, August 1 in two parts, each part is 60 minutes long.

GRADING POLICY:

Grade	%	Grade	%	Grade	%
A+	96-100%	A	93-95.9%	A-	90-92.9%
B+	86-90%	B	83-85.9%	B-	80-82.9%
C+	76-80%	C	73-75.9%	C-	70-72.9%
D+	66-70%	D	63-65.9%	D-	60-62.9%
F	< 60%				

OTHER COURSE INFORMATION AND POLICIES:

Withdrawal Dates: Thursday, June 13, 2024 for 100% refund; Tuesday, June 18, 2024 for 50% refund; **Tuesday, July 16, 2024 is last day to withdraw.**

Resources and Policies:

Students are responsible for full knowledge of the provisions and regulations pertaining to all aspects of their attendance at MSU Denver, and should familiarize themselves with the policies found in the MSU Denver Catalog: <http://catalog.msudenver.edu>.

Department of Mathematics and Statistics Student Support Resources:

<https://www.msudenver.edu/math/academic-student-support-math-stats/>

College of Letters, Arts and Sciences policies:

<https://www.msudenver.edu/letters-arts-sciences/current-students/forms-deadlines/>

The College of Letters, Arts and Sciences is committed to, and cares about, all students. To help you manage personal challenges and basic needs security, the university offers several resources. Any student who has difficulty affording groceries or accessing sufficient food to eat every day, or who lacks a safe and stable place to live, and believes that this may affect their performance in the course, is urged to contact the Dean of Students at 303-615-0220 or 303-615-0423, the Gender Institute for Teaching and Advocacy at 303-615-2052, or the CLAS office at 303-615-0995 or 303-615-1301 for support.
