COURSE INFORMATION

FALL 2025

Dr. LINDA SUNDBYE

Metropolitan State University of Denver Department of Mathematics and Statistics

sundbyel@msudenver.edu http://sites.msudenver.edu/sundbyel

Science 3022 303-615-0746

Regular Office Hours (Drop in any time): Tuesdays and Thursdays

12:00 - 1:50 pm

Office Hours in MS Teams by appointment

TEXT: Briggs et al, Calculus, Early Transcendentals, 3rd Ed., Pearson, (2019).

MyLab can be purchased online. MyLab contains the eText and the Student Solutions Manual. You don't need to purchase the text unless you want one. You must purchase MyLab access either separately or with the text.

If you already purchased 2 year access to MyLab for Calc I and II, then you are set. Otherwise, you will need to purchase 18-week (1 semester) access.

We are using the 18-week access 2023 Update - ISBN: 978-013-8118518

You will have access to both MyLab and Canvas on Saturday, August 16, 2025. You will access MyLab through Canvas. You can purchase it online from there.

Graphing Calculator: A TI-84 Plus or equivalent graphing calculator is required for this course.

Mathematica is available for free download for all registered students.

WITHDRAWAL DATES:

Monday, August 25, 2025 for 100% refund.

Wednesday, September 3, 2025 for 50% refund.

Thursday, November 20, 2025 is last day to withdraw.

GRADE DETERMINATION:

There will be three unit exams (20% each), a homework/ quiz/ Mathematica score (20%), and a comprehensive final exam (20%).

EXAM DATES:

Exam 1: Thursday September 18
Exam 2: Thursday October 23
Exam 3: Thursday November 20
Final Exam: To be announced December 9 or 11

MISSED EXAMS: No make-up exams will be given. The final exam score may be substituted for one missing unit exam. If no exam scores are missing, the final exam score may be used to replace the lowest exam score. The final exam, in either case, is 20% of the course grade and is NOT optional.

HOMEWORK POLICY:

MyLab is an online homework system that comes with our textbook. Homework will be submitted weekly in MyLab and will count 10 points each. Late homework will not be accepted since lowest two 10 point homework scores will be dropped and the remaining scores will be averaged on a 100 point scale.

The Assigned Problems page are the corresponding problems from the text. MyLab will generate variations of these problems. You have unlimited tries on the HW. MyLab will give you three tries on the same problem and then will generate a new version when you try again.

We will have a few *Mathematica* labs. The code will be provided to you. You'll just need to modify it for the different problems. *Mathematica* is available for free student download and online access to the cloud version. It is also installed in the campus computing labs.

GRADING POLICY:

Grade	%	Grade	%	Grade	%
A+	96–100%	A	93–95.9%	A-	90–92.9%
B+	86–90%	В	83–85.9%	В-	80–82.9%
C+	76–80%	С	73–75.9%	C-	70–72.9%
D+	66–70%	D	63-65.9%	D-	60-62.9%
F	< 60%				

OTHER POLICIES AND RESOURCES:

Students are responsible for full knowledge of the provisions and regulations pertaining to all aspects of their attendance at MSU Denver, and should familiarize themselves with the policies found in the MSU Denver Catalog: http://catalog.msudenver.edu.

Department of Mathematics and Statistics Student Support Resources: https://www.msudenver.edu/math/academic-student-support-math-stats/

The Department of Mathematics and Statistics is committed to, and cares about, all students. To help you manage personal challenges and basic needs security, the university offers several resources. Any student who has difficulty affording groceries or accessing sufficient food to eat every day, or who lacks a safe and stable place to live, and believes this may affect their performance in the course, is urged to contact the Dean of Students (303-615-0220 or 303-615-0423) or the Gender Institute for Teaching and Advocacy (303-615-2052).

ACCESS AND ACCOMMODATIONS:

Your experience in this class is important to me, as your professor, and to our university. Metropolitan State University of Denver is committed to providing an accessible and inclusive learning environment for all students, including those with disabilities. Students with a temporary health condition or permanent disability (conditions include but are not limited to: mental health, attention-related, learning, vision, hearing, physical or health-related) that impacts their access, performance or attendance should contact the Access Center, located in the Plaza Building, Suite 122, 303-615-0200 or visit their website, https://www.msudenver.edu/access

MANDATORY PARTICIPATION VERIFICATION POLICY:

For the purposes of the MSU Denver Mandatory Participation Verification Policy, class participation in this course means that the student attends class or completes the homework. If a student does not attend any classes and does not have a positive homework score by the census date, they will be reported as NOT participating in the class. The student will then be administratively dropped by the Registrar's office from the course.
